Pearson Education Limited, United Kingdom, 2017. Paperback. Condition: New. 8th edition. Language: English. Brand new Book. For courses in principles of macroeconomics. Guide students through the economic principles that will influence their financial decisions. Foundations of Macroeconomics, 8th Edition introduces students to the economic principles they can use to navigate the financial decisions of their futures. Each chapter concentrates on a manageable number of ideas, usually 3 to 4, with each reinforced several times throughout the text. This patient approach helps guide students through unfamiliar terrain and focus them on the most important concepts. The text does four core things to help students grasp and apply economic principles: it motivates with compelling issues and questions, focuses on core ideas, offers concise points, and encourages learning with activities and practice questions. After completing this text, students will have the foundational knowledge of how the economy works and can apply it to their lives going forward. MyLab™ Economics not included. Students, if MyLab is a recommended/mandatory component of the course, please ask your instructor for the correct ISBN and course ID. MyLab should only be purchased when required by an instructor. Instructors, contact your Pearson rep for more information. MyLab is an online homework, tutorial, and assessment product designed to personalize learning and improve results. With a wide range of interactive, engaging, and assignable activities, students are encouraged to actively learn and retain tough course concepts.
